Login page – first page when you open the app

Use the same credentials created during course enrolment

The image shows a mobile app login screen for 'Dr MA Courses'. At the top is the app's logo. Below it is a white login form on a dark blue background. The form contains two input fields: 'Email or Username' and 'Password'. Below these fields are a 'Remember me' checkbox and a 'Forgot Password?' link. A red 'Login' button is at the bottom of the form. A disclaimer at the very bottom states: 'This app is for educational purposes only and is not a substitute for professional medical advice or clinical judgment.' Five yellow callout boxes with red borders and arrows point to specific elements: 1. 'Enter your email address or user ID created during enrollment' points to the 'Email or Username' field. 2. 'Enter your password created during enrollment' points to the 'Password' field. 3. 'Enable 'Remember Me' for quick login next time Avoid entering credentials repeatedly' points to the 'Remember me' checkbox. 4. 'Tap here to reset your password securely' points to the 'Forgot Password?' link. 5. 'Tap 'Login' after entering the username/email and password to access your dashboard' points to the 'Login' button.

Recorded Videos

Once you select a chapter (for example, Evidence-Based Medicine), this page will open. It may take 5–6 seconds to load.

Tap here to view in full screen.

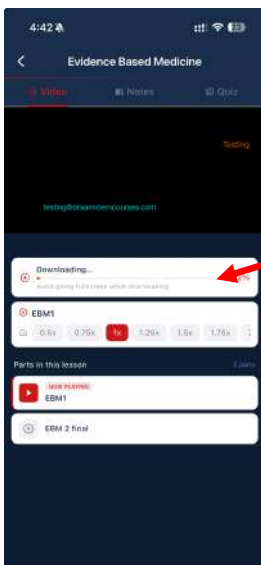

Tap here to skip forward by 10 seconds.

Tap here to skip backward by 10 seconds.

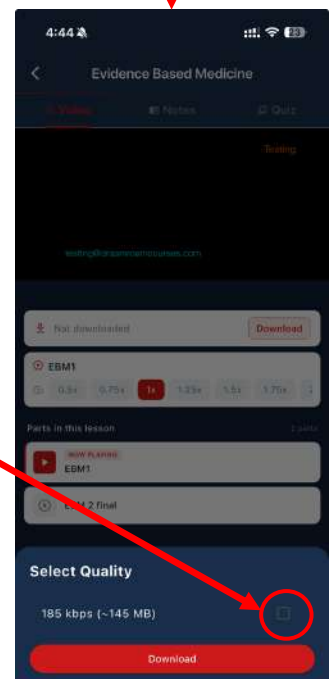

Tap here to pause or play the video.

Tap on the part of the lesson you would like to play.

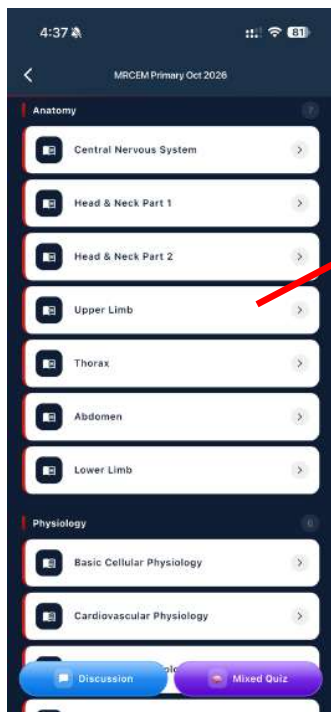

Tap here to download the video. A new page will open first.

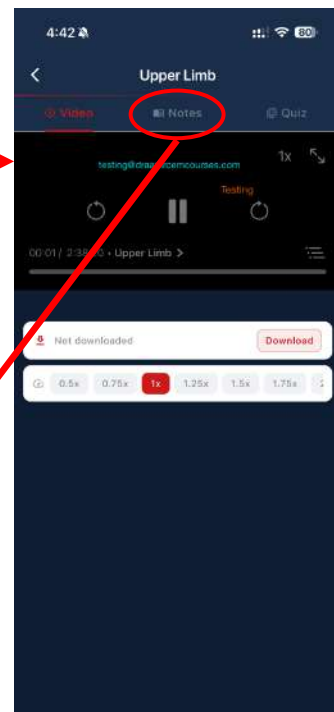

Check the box, then tap "Download." The video will begin downloading. Do not switch to full-screen mode during the download. Once downloaded, an internet connection is required initially to verify your credentials. After verification, the video will play offline.

Notes

Once you select a chapter (for example, Upper Limb), this page will open.

Tap "Notes" to open the notes.

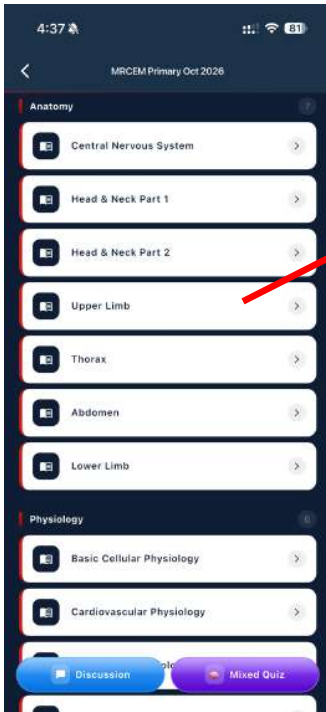

Tap here to enter full-screen mode or exit full screen.

Swipe to change the page.

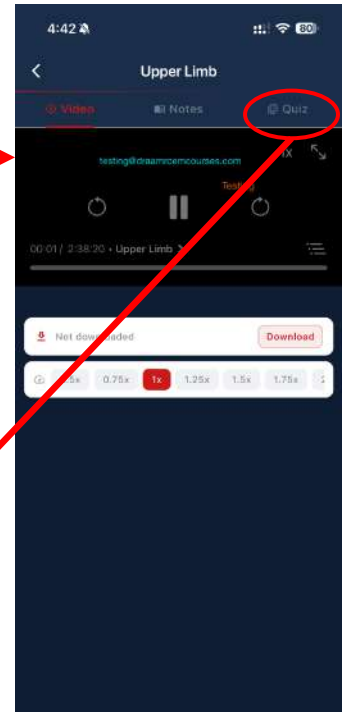

Tap here to open the numeric keypad. You can enter a page number to jump directly to that page.

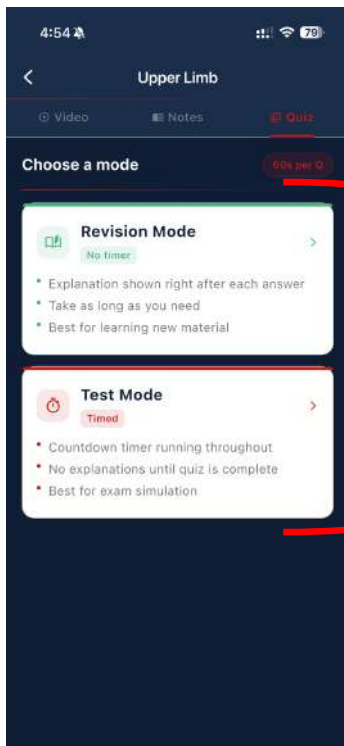

Quiz

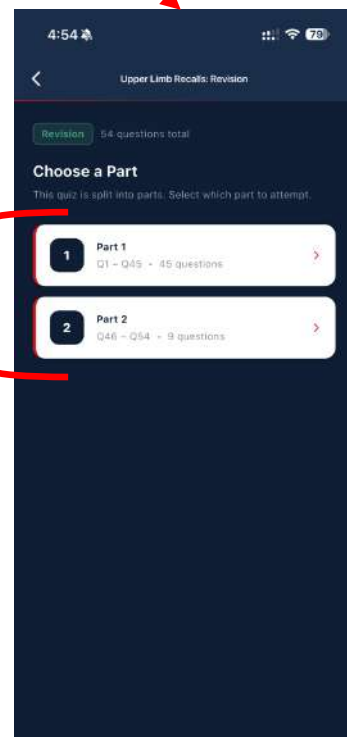

Once you select a chapter (for example, Cardiology), this page will open.

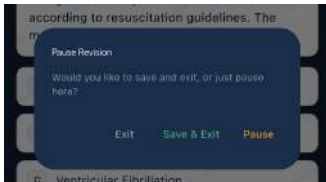

Tap "Quiz" to open the quiz.

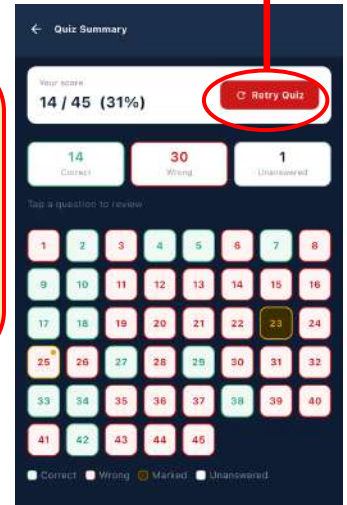

Select either Revision mode or Test mode.

If there are more than 45 questions, they will be divided into two parts. Select the part you want to include in the quiz.

Tap "Retry Quiz" to attempt the quiz again.

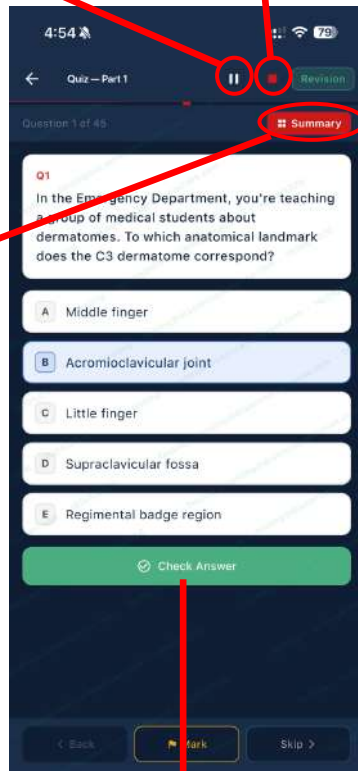

Tap "Pause" to open options: "Exit," "Save & Exit," and "Pause." "Exit" closes without saving, "Save & Exit" saves progress, and "Pause" keeps you on the same screen (timer pauses in Test mode).

Tap "Stop" to open options: "End Quiz" or "Cancel." "Cancel" resumes the quiz, while "End Quiz" finishes it and shows your summary (correct, incorrect, and score).

When the quiz ends or time runs out in Test mode, the summary screen appears showing correct, incorrect, and marked questions. Tap any question number to review it with the correct answer and explanation.

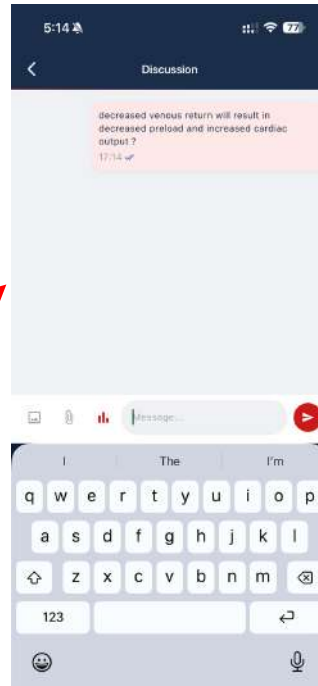

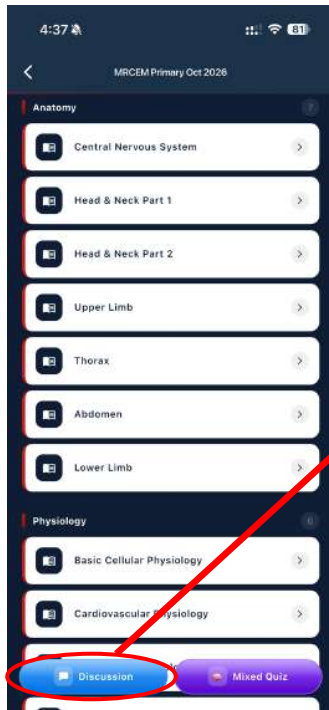

Tap "Summary" during a quiz to view answered and marked questions. Correct and incorrect responses are shown only in Revision mode.

In Revision mode, the "Check Answer" option is shown below each question. After selecting an answer and tapping "Check Answer," the correct answer and a short explanation will be displayed immediately.

Mixed Quizzes

Clicking on “Mixed Quiz” will open this page. Here, you can select the chapters from which you want to attempt questions, choose the mode (Revision or Test), select the number of questions, and then tap “Start.”

Once you save and exit or end a quiz, your last two attempts will be displayed here (at the top of the Mixed Quiz page). You can select any attempt to continue, review, or retry.
